## VETERANS DAY MILITARY CADENCE

Left, left, left, right, left.
Left, left, left, right, left.
This is a repeat-after-me song....
Ready! (Ready!)
Veteran's Day is here today!
We salute the soldier's way.
Army, Navy, Air Force, MarineThey're our heroes sight unseen.
Don't forget the Coast Guard

They are here for me and you.
In the past and now today,
Soldiers keep our country safe.
Because of theh-emmm, we can
pray,

Go to school, and work, and play.

Sound off, Sound off, 1-2-3-4... HOO-AH!
